Doctor Atherly will testify as an expert witness on the calculation of aggregate measurable cost savings, as described in **srHS**'s Report to the Dirigo Health Agency, dated November 3, 2009. Dr. Atherly will testify to the econometric modeling, modeling specifications, modeling results, reasonableness of the results and any overlap among the results using the report, the supporting documents, and demonstrative exhibits to support and summarize his opinions. The subject matter of his testimony, the substance of the facts and opinions to which he is expected to testify, and a summary of the grounds for each opinion are contained in **srHS**'s Report to the Dirigo Health Agency, dated November 3, 2009. The data and information considered by him are set forth in the report and in the supporting documentation and other discovery produced by DHA on November 3, 2009. Both the report and supporting documentation are incorporated herein by reference. His qualifications and publications are described in the Curriculum Vitae attached hereto as Exhibit B.

II. Methodology/Document Disclosure

DHA's methodology is set forth in **srHS**'s Report to the Dirigo Health Agency, dated November 3, 2009, which is attached hereto as Exhibit C. In addition to the Report, DHA is producing all supporting documentation; all other documents considered by **srHS** or other consultants retained by **srHS**; all notes of DHA or the consultants; and all emails, drafts, and other documents exchanged between DHA and the consultants. This production is contained within a compact disk labeled DHA Disclosure, November 3, 2009, which is being filed and served on all other parties herewith.
